

Said
In Cypress

That the first edition last year following White Gold Day we edited a column called "Nuggets," which in one person's opinion was rather clever. (Our own.) However, we tried to be more of a general nuisance this year and help around a bit — so we gleaned no little bits of information for such a strip. All the things that get left out of the paper this week, such as the trouble with the wind whipping the banners and putting several telephones out of order and finally requiring the service of So. California Edison company, would normally have gone into "Nuggets."

That we want to acknowledge our appreciation to Jake Van Dyke for the wonderful cooperation we received from him in matters pertaining to publicity for White Gold Day. Too often the head of an undertaking is big as our annual celebration is more open to criticism than to praise. And we know that if Jake knew we were going to mention his part in the day's success, he would in turn want everyone who helped in any way thanked and given due credit for their efforts.

That the next item on the community's agenda is the election to form a park district which will be held at the school house on October 18. After our unsuccessful campaign to stir a little interest on one side or other in the water issue now at stake, through the columns of this so-called "press," we give up. We can only hope there will be a fairly good representation who show up at the polls on Tuesday.

That on October 24 there will be an opportunity to show your loyalty to the home-town softball team which helped put Cypress on the map this summer. Attend the pot-luck dinner. It is rumored — (note we said RUMORED) — that no less a notable figure than Bob Lemon may be present. His birthplace, it is said, is Cypress. He's a hometown boy who made good, and we'll hope he can see fit to honor us with his presence on the big night.

That we wonder who John Rogers is? A picture of his English bulldog was flashed across the nation by Associated Press recently when Rogers was visiting friends in a neighboring town. "Their child, Danny Grey, aged 2½ years, ran away. 'Sykes,' the dog, located the wanderer within a short while.

That if Kerwin Hoover, author of the Hometown News program over KFI on Saturday morning reads it here first, we hope he'll credit the news of Wesley Dickinson's recovery from his fifth dangerous snake bite to Cypress town. After all, Dickinson was an associate of the late Crace Wiley's for years, and the fourth snake bite was administered by a water moccasin in her zoo here. He has been bitten twice by cobras in India, once by a gila monster in Texas and the two mentioned before. Removed from Seaside hospital to his home on Monday, he expects to be back full time to his duties as director of the Long Beach zoo, 69th and Cherry avenue, soon.

That it was a pleasure to see so many former residents come back to visit and to enjoy White Gold Day. And wasn't the entertainment good? We can thank the committee for that.

That a great big thank you goes to the boys and the committee who undertook the immense job of cleaning up the school grounds following the festivities. We know it's tough on the kids — but that's what will make a park successful — the harder they have to work for it, the more they're going to appreciate it. And this help was all volunteer on the part of the youngsters.

PLANS TWO MORE
BUILDING UNITS

A. E. Arnold has obtained a variance clearance to construct two more store buildings here. Although he has not set a date to begin the work, it is planned to construct them on Lincoln avenue between the building occupied by the Cypress Beverage company and the newly completed four-store structure.

MYSTERIOUS FIRE
CHECKED IN TIME
AT VETH HOME

When a brush fire threatened his house and garage Wednesday afternoon, George F. Veth, Jr., of 8132 Walker street, rushed to the fire station, broke the glass on the fire alarm, and summoned the fire.

Cypress volunteer firemen controlled the fire as the flames reached the buildings. Veth was burned about the face and forehead and his hair was singed. Medical aid was not available in Cypress, but he was eligible to receive help at Navy Hospital.

The fire may have been caused from a carelessly tossed cigarette from a car, or from magnifying rays of the sun through some broken bottles in an open pit for burning.

Colorful Parade Saturday Morning One of Best Yet

Entries were numerous and varied as this year's White Gold Day parade began a full program of events for Cypress last Saturday. Shown on the left, from top to bottom is a Scout marching unit, Leona's Fifth Gear Cafe float, and the Cypress Post No. 8847 of the VFW color guard, which was first in the line of march.

Center above is the car which carried Queen Laverne Stanley and her two princesses and below is the M & H market float, which won first prize. Right above, is the Cypress Enterprise entry, winner in the comic division, and below the VFW auxiliary float, which won third in its division. (Photos by Enterprise & J. Junker)

PLAN 'YES' OR 'NO' VOTE BY USERS FOR WATER DISTRICT

Because the problem of annexation into the Metropolitan Water District to receive Colorado river water is such a grave one, no decision on the matter was reached at Monday evening's meeting of the chamber of commerce.

Out of approximately 900 homes in this community, only 26 people were present to discuss this vital issue. Chamber members hesitated to speak for the majority of residents who would be affected if an Orange county municipal water district were formed. On the other hand, members did not wish to shirk their responsibility in such a serious situation.

It was decided that the fairest way to gain an accurate opinion would be to poll water users by a "yes" or "no" vote included with their water bills. Edward R. Stang, representative of the Southern California Water company, who was present at the meeting, will confer with company officials to see if this can be arranged. In case the majority vote "yes," Cypress will be included in the election which will be called by the board of supervisors. If more "no" votes predominate, the matter will be closed and Cypress will be out of the proposed water district.

Stang indicated that while the company is not concerned about the supply from its wells at the present time, it favors annexation into the MWD as insurance. Requests are received regularly from newcomers who seek water from the company.

A new well, recently completed south of Newman on Walker street, is pumping close to 80 feet below sea level.

Property More Valuable
M. B. Wellington, attorney from Santa Ana, was present to explain the benefits to be gained by cities and communities getting together for the common purpose of annexation to the MWD. He represents the cities in Orange county who started the movement to petition for admission. The original five have since been joined by several more in the county.

He stressed the fact that property value is greatly increased in an area which has access to water rights, whether they are being used or not.

Club Sends Box To Hungary

Mrs. Leslie Brannan was re-elected to office of president of the Junior Woman's club when the group met last Wednesday at the home of Mrs. James Palmer on La Homa street, with Mrs. Bennie Pugh as co-hostess. Other include vice president, Mrs. Glen Miser; secretary, Mrs. N. L. Chapman; and treasurer, Mrs. H. L. Minnick.

Plans were made to pack a box for the family in Hungary who the club has adopted.

WELCOME! New Readers

A. E. Holborow, 8611 Walker street.

M. R. Bouse, Box 279, Rt. 1, Buena Park.

W. W. Adams, 5561 Sprague street.

So. Calif. Water Co., 220 Main street, Huntington Beach.

Village Market Nears Completion On Walker Street

An attractive store building at the corner of Vonnle Lane and Walker street to house the Village market is nearing the final stages of construction.

Planned by the owner, Kermit Johnson, the structure features sloping windows and a rock roof. Planter boxes will be used under the windows to add to its attractiveness. Painted a pale green, the exterior will be trimmed with a darker shade of the same color for contrast.

The 30 x 37 room is designed to utilize every bit of space, with no center supports to take up room. The market will be self-service.

Mr. and Mrs. Johnson live at 5661 Danny avenue.

White Gold Fete Evening Auction Tallies Profit

First White Gold Day committee to make a complete financial report to General Chairman Jake Van Dyke was the auction held in the evening. Handled by the Cypress auction yard, the project turned over \$410.55 to the park fund treasury.

Donors of calves for the occasion were Frank Ferreira, Frank Cardozo, Joe Cota and John Vieria, all of Grindlay street; Jake Van Leeuwen, Jake Bruhnsma, George Dykstra, Jake Van Dyke and Frank Corriea, on Orange avenue; Dick Bakker and C. Bakker on Lincoln avenue, and G. Van Hunnick, Miller road.

A turkey from St. Pierre's poultry ranch and two ducks and several little ones were also generous gifts. Another calf was turned in for the auction, but the name of the donor was not learned.

These donations were much appreciated by the White Gold Day committee, as was the time and effort which the Cypress auction yard gave to make the auction a success. They donated a heifer (veal) for the grand prize drawing. When the first winner turned it back to the committee, it was auctioned off.

Johnson Pupils Give Recital

The pupils of Mrs. Helen Johnson of Cypress were presented in a piano recital last Friday night when Wayne and Jack Abbott and Dorothy Harryman took part at the Richard Harryman home, 9702 South Holder road.

Each participant performed individually, and duets by Wayne and Jack and Dorothy and her teacher were enjoyed.

Mrs. Johnson obliged with "Romance" by Schumann and "Clair de Lune" by Debussy upon request.

Following the musicale, cake and lemonade were served. Guests enjoying the hospitality were the pupils and their parents, Mr. and Mrs. Jack Abbott, Mr. and Mrs. Richard Harryman, and Mrs. Johnson.

NEBRASKA PICNIC

Nebraska picnic plans have been made for Sycamore Grove park in Los Angeles on Saturday, October 22.

Open Letter

TO THE CITIZENS OF CYPRESS

The lack of respect which was shown our national flag was very conspicuous to the color bearers and guards of the Cypress Post 8847 of the Veterans of Foreign Wars as they marched at the head of the parade last Saturday.

It was estimated that less than 100 of the many people who lined the line of march showed the respect due the flag which all of the V. F. W. members fought for, and many lost their lives for in order to keep this country free.

As a veteran of World War I and II, who twice offered his life to preserve this flag, I wonder if it is lack of knowledge on the part of the public as to how to properly show respect for the flag, or whether it is because the war is won, and there is no longer any need for the services of the veteran.

I definitely feel that it is the duty of every citizen to show proper respect for our national emblem wherever it is seen.

The history of our flag, and the reasons for honoring it are probably not known by many of the people. If the residents of Cypress are interested in learning more about how to show our flag proper respect, the V. F. W. will gladly conduct classes for this means.

H. J. G. KREISSLER

Commander,

Cypress Post No. 8847

Veterans of Foreign Wars

Triangle Recovers From Losing Slump; Merchants No. 2 Stay 1st

Triangle Drive-in's women bowlers took Bee's Duck Inn of Buena Park in three straight games last Wednesday night in the league bowling at the Buena Park Bowl.

Dorothy O'Neal paced the team, hitting 165 and 163 in two of the lines. Mrs. Dick Hathcock also aided in the win by rolling well when the points were needed.

Merchants Fare Well
Of the two Merchant teams, the No. 2 kept its lead in the Tuesday Handicap league. LaPacker's Dry Goods of Buena Park, nearest contender, scored the same as the Merchants, each winning and losing two games apiece. The Merchants still hold a 2-game lead over LaPacker's.

Salty Falls and Whitey Wilson were the big guns in the Tuesday night competition, when the Merchant No. 2 team tied Bee's Duck Inn, 2 and 2.

Noe Hits 200
The Kiwanians from Buena Park bettered the Cypress No. 1 outfit, even though the local bowlers rolled some exceptional games. New comer to the team, Harry Torrance, had 190 and 193 games out of his series, and Foster Noe rolled a 200 line. Although the complete standings were not available at press time, the losses may knock the No. 1 team from their third place spot to fourth.

Below are the standings of local teams for last week:

Tuesday Handicap	
Cypress Merch. No. 2	14 2
Lalicker's Dry Goods	12 4
Cypress Merch. No. 1	10 6
White Elephant	9 7
Kiwanis	7 9
Lion's Club	7 9
Bee's Duck Inn	6 10
Anaheim Truck & Trans.	6 10
Bob's Market	6 10
U-Tel-Em Market	3 13

Women's Handicap	
Hunt Foods	11 1
Buena Park Cleaners	8 4
White Elephant	6 6
Walt's Meats	6 6
Monarch Cleaners	6 6
Buena Park Bowl	6 6
Triangle Drive In	5 7
Bee's Drive Inn	5 7
Buena Park Pharmacy	4 8
Wilkinson Pharmacy	3 9

RAYLISS' VISIT HERE ON
EARL SIPLE'S BIRTHDAY

In recognition of Earl Siple's birthday, his daughter and her family, the Harry Rayliss' from Lomita, visited here last week. Highlight of the party was a granddaughter, Trudy, singing "Happy Birthday" for her grandfather.

C of C Sets Pace To Honor Local Ball Club

Home-town rooters of the winning Cypress Merchants' softball team will show their appreciation with a pot-luck testimonial dinner on the next regular meeting night of the chamber of commerce, October 24. A special program is being planned, and the community at large is invited to attend and join in the celebration.

Following the presentation of the trophy which represents the players' win in the National softball league, individual members will receive baseball watch fobs.

Seek To Reduce Fire Rates
It was learned recently that fire insurance rates in this area have not been checked in approximately ten years. With a new up-to-date fire equipment available there is a possibility the rate could be lowered.

Members voted to contact the Pacific Fire Rating bureau. A petition from property owners and business houses will be sought, so that the underwriter's will order an inspection here.

Von Trotha's Thanked
For the very attractive float which was entered by the chamber of commerce in the parade White Gold day, a vote of thanks went to Mr. and Mrs. D. L. Von Trotha. As co-chairmen of the float committee, the theme which represented this community's chief product, milk, was cleverly executed.

A drawing from the names of chamber members in the Christmas kitty fund was held at Monday night's meeting. Mrs. H. A. Kelley, whose name was the lucky winner, did not meet the conditions of the contest, hence \$13.50 was returned to the fund. The idea being tried this year for the first time is meeting with over-whelming success.

BRUSH FIRE TUESDAY QUELLED BY FIREMEN

Cause of the brush fire at the F. H. Shorrock home, on Crescent avenue, last Monday afternoon was unknown. Cypress volunteer firemen arrived at the scene in record time, thus saving the property from damage and loss.

Housed in cages at the rear of the property were prize pigeons, some of them valued as high as \$50 each. Flames licked up to the enclosures, but were put out due to the prompt action of the volunteers.

No one was at home, since Mr. and Mrs. Shorrock both work during the day. The Van Buskirk's next door at 4145 Crescent avenue turned in the alarm.

P.T.A. Drive For New Members

Cypress citizens are being urged to join the Parent-Teacher's Association. The membership drive started Monday, October 10. People whose children are in school or who are interested in their education are eligible to join.

The membership drive will be extended to November 4. Rooms bringing in the highest percentage of membership will be given parties. The goal is 350 members.

CLUB MEMBERS FETE FAMILIES AT POT LUCK

Members of the Cypress Women's club entertained their families Tuesday evening in the school utility room with a pot-luck dinner.

The tables were decorated in an attractive manner in keeping with the Halloween season, and were laden with good things to eat. The main planned dish was spaghetti and meat balls with French bread.

Hostesses for the affair were Mrs. H. A. Kelley and Mrs. Louis Wlaschik.

MRS. L. BRANNAN ENTERTAINS FOR MRS. BENNY PUGH

Mrs. Benny Pugh was honored by friends Tuesday evening in the home of Mrs. Leslie Brannan when a shower was given for her. Mrs. N. L. Chapman and Mrs. H. L. Minnick assisted the hostess.

Refreshments of assorted sandwiches, cookies and coffee followed a period of games appropriate to the occasion.

Sharing in the pleasant evening were Mrs. K. T. Beason, Glen Miser, John Lukens, Charles Best, Ed Stanley, George Routenberg, J. C. Napier and baby Phyllis, Evan Pugh, Sarah Chapman and Dubbert Laird, besides the guest of honor and daughter Jelinda.

CELEBRATION TERMED SUCCESS THANKS TO PUBLIC SUPPORT

Future Permits Will Depend On Decision Now

Development of a new 120-unit addition in Cypress is being held up by the county planning commission at the request of the health department officials and two engineers.

Edward Behrens, local developer, plans the project on one of his building sites located at Miller road and Lincoln avenue.

It was explained by Frank and Ralph Stewart at the chamber of commerce meeting Monday evening that when former subdivisions were approved, the health department was not active. However, at the present time, a perched water table has been discovered on the site to be developed. Water, only three feet from the surface, is being held by a hardpan layer of strata which would not allow proper cesspool seepage.

The decision which will be reached by the planning commission in this situation will be very important, in that it will effect future attempts to secure building permits in this area for large scale building.

White Gold Pet Parade Huge Success

by Joe Cram and
Donnie Appleby, 6-A

Last Saturday, October eighth, at the firehouse the Pet Parade was held. There were about 75 children who brought their pets to enter in the pet parade. Prizes were given to each child who was at the parade.

These are some of the pets that were in the parade: turtles, cats, white mice, dogs, birds, guinea pigs, poultry and a goat. Silver dollars were given as first prize and half dollars were given for second and third prize was a quarter.

Joe Giles won two first prizes for the biggest and most unusual dog. Miles Gibbs won a silver dollar for having the only rooster.

The Brownies won third prize. The Girl Scouts won first prize and the Cub Scouts won a trophy. Chairman was Dick Hathcock.

Judges were Mrs. Edna Mackay, Gordon Mackay, A. E. Holborow and Burt Kroesen.

Wedding Saturday Unites N. Wright And M. Precie

Two popular Cypress young people were wed in a quiet service in Capilla de San Antonio on Saturday afternoon at three o'clock when Nelda Wright became the bride of Marion Precie. They were unattended.

The Rev. C. L. Andrews, assistant pastor of the White Temple Methodist church, performed the single ring ceremony.

Mrs. Precie was graduated from Anaheim high school last spring. She is the daughter of Mr. and Mrs. Roy Wright, of 8552 La Homa street. Her husband, son of Mrs. Richard Corda, 8941 Moody street, is a veteran of World War II, having served with the army at Guadalcanal and Saipan.

Mr. and Mrs. Precie have rented living quarters in Norwalk Manor where they will be at home to friends.

SUBSCRIBERS!

Check the key number following your name on the mailing label. Is your subscription due?

White Gold Day in Cypress is a pleasant memory for another year. The morning was fair and sunny, but a chilling wind in the afternoon sent some of the programs indoors where it was possible. The free acts in the afternoon and night were performed from the auditorium and the bar-becue at night went into the school cafeteria for comfort and convenience. An estimated 1000 dinners were served, and approximately 100 were turned away when food supplies were depleted.

VFW Color Guard
Leading the main parade in the morning as color guard was the Cypress Post No. 8847 of the VFW. Grand Marshall Ralph McFadden, county supervisor and Mrs. McFadden, with last year's queen, Delores Cardin, were followed by Queen Laverne Stanley and princesses Dorise Bouse and Peggy Mills.

Ernest Specht, of Bell Gardens on his famous palomino horse, "King Cortez," won the sweepstakes prize.

Other prize winners were: first place in riding clubs, Carefree Riders of Artesia; second, Foothill Riders of Buena Park. Miss Emily Specht of Bell Gardens, won first in the silver mounted class and George Veth, Jr., of Cypress, second. In the western division, Neal J. Russell took first in the men's singles, and Fernando Ramirez, second; Charlotte MacFarven was the best women's single and Helen Lehman, second. Arlene Richardson was first in the pony class, Louis Ramirez, second and Sharon Holt, third.

Judges were Clarence Smith, Milam Williams and M. R. Bouse. Cypress C of C Wins
Fred C. Nelles School for Boys of Whittier, won a trophy in the marching units, and Anaheim union high school band won first in the band units.

The M and H Market won the trophy for the best float, Seal Beach chamber of commerce, second and Cypress VFW Auxiliary, third, with honorable mention to Fred Washburn.

Best decorated car was entered by Cypress chamber of commerce, and Triangle Drive-In was given honorable mention. Cypress Cub Scouts won a trophy in Scout marching unit and comic prize went to the Cypress Enterprise.

Sybil Ring's Majorettes won the first place trophy, Batonettes, second, and Buena Park Majorettes, third. In single majorette competition, Joan Burdick of the Anaheim high band won first place, Peggy Hallager of Sybil Ring's Majorettes, second, and Joan Underwood of the Batonettes, third.

Judges were Paul Winsor, Dan Mackay and Rev. W. D. Howard.

Free Prize Winners

Winner of the television set given away during the evening was A. Smith, 6001 Washington street. Mrs. Tonya Cowan received the silk quilt, and Mrs. C. E. Swain the dressed baby doll.

Although the exact results of this year's White Gold Day will not be known for several days, a conservative estimate places the profit at approximately \$1500. The money in the fund will all be used to provide park facilities for the youth of the community.

DE WITT - LEONARD NUPTIALS READ

News of interest here is that of the recent wedding in Capilla de San Antonio of Miss Jeanne DeWitt of Garden Grove, granddaughter of W. O. DeWitt, 8622 south Walker street, Cypress, and Norman Leonard.

They are making their home in Garden Grove.

NOT BY BREAD ALONE

Each year, during the third week in October, National Bible Week is observed. The 1949 observance will run from the 17th to the 23rd.

The week is designed to again focus attention on those basic principles of Christianity which much of the civilized world is supposed to live by — and which are so widely and tragically violated. Here in the United States, to say nothing of other nations, we have little to pride ourselves upon as Christians. We have the highest rate of crime and delinquency in our history — three times as many people are incarcerated in penal institutions as are attending universities and colleges. Eleven out of twelve young people are not active church members. Over 8,000,000 people are under treatment for mental disorders. Religions and morals are often openly ridiculed, and totalitarian principles, which are directly opposed to Christianity and all the other great religions as well, are advocated and taught. There has never been a time when so much cheap and tawdry entertainment — in books and magazines, and on the radio, stage and screen — was offered for sale, and it has a huge audience. Racial and class hatreds are rampant.

Looking at the international scene, it is clear that the failure to live up to the basic ideals of Christianity has led to misery and despair for millions, to the enslavement of once-free peoples, to a cold war which is absorbing more and more of our energies, our thoughts, our resources. The world is moving swiftly toward a cynical materialism which may destroy it unless the trend is checked.

At a time like this, National Bible Week has a vast significance. In the great old phrase, "Man cannot live by bread alone."

SMALLER CARS

Detroit reports have it that the Big Three of the low priced car field are going to have increased competition in the next year or two. Hudson and Nash are rumored to be about ready to bring forth competitive models and Kaiser - Fraiser has negotiated a substantial loan from the Reconstruction Finance Corporation for that expressed purpose. Ford, Chevrolet and Plymouth have built nearly half of all passenger cars this year and it is quite understandable why other manufacturers want to produce in their price range. It is also reported that cars in general will perhaps be a few inches shorter in overall length as more new models make their appearance. No producer among the big names seems ready, as yet, to turn out a car smaller than the standard sizes. The extremely small car apparently does not offer a profit margin would justify its output. One thing is certain: cars will not be any larger. That will be a comfort to owners whose cars will just barely squeeze into the garage at home.

POLITICAL CRAP GAME

I RISE TO REMARK
by John Phillips

How can I crowd into one letter, all the interesting events of the past week? I was about to leave Rome, when I last wrote, taking the one train which has a through Rome-Brussels car, so that we could go direct to Luxembourg. It is a central point, about 30 miles square, with good roads running in all directions.

I have a European driver's license, so I asked about a "Drive - yourself" car and they said, "Yes, just the same as in France." When the car appeared, it was a 1938 Plymouth, after years of taxi and rental services. It groaned in its joints, and protested being aroused on a cold morning, but it never missed a piston stroke and took us from Luxembourg to the cemeteries at St. Avold and Epinal and Thiaucourt, and the St. Mihiel monument at Montsec, and up and down the Vosges mountains, and through Alsace and Lorraine, and into Germany and back to the start, including a 350 mile side-trip down to Nuremberg. Except for the fact that the car had a governor, preventing more than 50 miles per hour, which is hard on a Californian when he hits the "autobahn" (the double, hard - surfaced road, with no intersecting roads) it was perfect, and we got 7 km. to a liter, which I figure is 20 miles to the gallon; not bad for a 1938 car.

Cemetery Care

It has been perhaps the most interesting trip we've had. It has been genuinely interesting for a member of the Appropriations committee to see, personally, all the U. S. cemeteries, and reassure himself of the excellent and thoughtful care given to them. Some ideas developed on the trip will be embodied in the future program. In addition the destruction of modern war can never be understood from pictures nor descriptions. It must be seen.

Berlin is a wrecked city; old Nuremberg is gone; Wurzburg is completely destroyed — and all the intervening land shows the devastation of bombing and fighting. I should have some pictures to show you.

There are a few hotels operating in Germany. We stayed at the "Victory Guest House," near Frankfurt, run by the army. The first evening we had dinner with Mr. and Mrs. Eric Johnston, talked over the movie situation and frozen currency; Senator and Mrs. Pat McCarran of Nevada, here about D.P.'s; Mr. and Mrs. Charles Dewey (he came to Congress when I did, and is now head of the "Watchdog Committee," over E.C.A., for the Appropriations Committee); Gen.

Mr. and Mrs. E. L. Robinson have left for a vacation trip that is expected to last for one month. They will visit in Oklahoma, Missouri and Iowa.

Edison Company Engineers Move
River in Dam - Building Effort

Engineers of the Southern California Edison Company, which serves Cypress have moved a mountain river to make another dam and another hydro-electric plant at the Edison Big Creek - San Joaquin River development in the High Sierra.

Today, the San Joaquin River, 6 miles southeast of North Fork in Madera county and near Willow Creek, flows through a 847 foot long diversion tunnel leaving the stream bed dry for construction of the power dam.

Nearly a thousand men are working day and night on the new plant project, known as Big Creek No. 4, to complete the job in 1951 and add 84,000 kilowatts of electric generating capacity to the Edison Company system.

Construction of the dam is the first major move in the \$20,000,000 project. Its massive bulk will form a barrier across the canyon of the San Joaquin 954 feet long and 228 feet high. The north abutment is on the Madera county side of the river and the south abutment is on the Fresno county side.

Huge Reservoir

When this barrier of steel, granite, and concrete is completed, holding the river in check, a storage reservoir of 35,000 acre feet will be formed to supply water for the turbines of the powerhouse.

In 1911, when work first began on the Edison Company's Big Creek hydro-electric development, the Big Creek area was part of the then almost inaccessible wilderness of the High Sierra. Construction crews could work only during the late spring and summer months because of heavy fall and winter snows. Engineers established many "firsts" in the ingenious solution of construction problems in a completely undeveloped and primitive area, and the first two powerhouses were in operation in 1913.

Big Creek Project

As Central and Southern California have developed and grown, the Edison Company's Big Creek electric power project has undergone a continuous process of expansion. Today it consists of five powerhouses containing sixteen generating units, three major lakes created by the construction of six dams, and eight tunnels through the mountains which make the total water supply available to various powerhouses in turn.

Carl Markel, 5551 Vonnie Lane, has opened his own fruit and vegetable stand in Al's market in Norwalk, at the corner of San Antonio and Firestone. Markel has lived in the tract since its completion and is a charter member of the VFW post here.

Save Lives
and Property

Make Your Home
Fire Safe

- Double-check your home for fire hazards. Remove rubbish from attic, closets, and basement.
- Have flues and heating equipment checked and cleaned . . . worn, frayed extension cords replaced.
- See that electrical circuits are not overloaded. Protect your home and loved ones from fire.

Club Study Shows What Makes Lady Auto Drivers Tick

The Automobile Club of Southern California this week labeled the typical woman driver in California "chatty, excitable, but far less deadly on the highway than the average male motorist."

Moreover, she has greater field of vision, is more cautious in traffic, and is much less likely to earn a police citation than her male counterpart.

These were findings of the Club's Public Safety department, resulting from a recent analysis to determine driving characteristics of female motorists.

The study showed that California's typical woman motorist drives about one-half as many miles annually as the male, averages 44 miles an hour on the open highway as compared with 47 miles an hour for masculine drivers.

In Few Accidents

Female motorists, representing 30 per cent of the registered motor vehicle operators in the state, are involved in one out of seven traffic accidents in California; one out of 11 traffic fatalities, the Club said.

To their credit, likewise, is the fact that the typical female motorist is an infrequent traffic violator. Latest Statewide police reports reveal that women drivers receive approximately only one out of 30 citations issued, indicating that their cautious driving habits pay off, the Club pointed out.

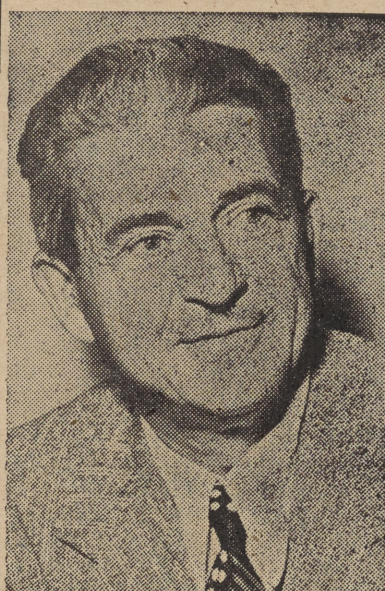

The analysis detected several inefficiencies that are characteristic of women drivers, notably slowness of movement in emergencies, unskilled parking ability, greater emotional strain under pressure and poor recovery from glare blindness.

Stopping Time

Actual tests taken revealed that male motorists driving autos 60 miles an hour stop their cars three feet short of marks set by women traveling at the same rate of speed; that female motorists require an average of 7.47 seconds to recover from glare blindness, indicating that they travel one-third again as far as men drivers before recovering from blinding lights, the Club stated.

Poor parking scores were attributed to woman's inability to master the steering apparatus, plus improper distance judgment, it was pointed out. Their tendencies to be distracting and talkative were also factors, the analysis showed.

Female motorists tested surpassed men in ability to see the side and held a distinct edge in distinguishing colors, the Club said, both sexes excelled in hearing tests, although sudden and loud noises were found to cause more emotional strain on women than men.

DIRECTS LITERARY CENTENNIAL — Dr. Gustave O. Arlt, professor of German literature at UCLA, will direct California Literary Centennial to be held in 1950 in commemoration of many prominent authors who lived and wrote in California during 100 years of statehood.

Club Study Shows What Makes Lady Auto Drivers Tick

Monthly Movie

by Paul Morris and Lyle Lee, 6-A

The first monthly movie of the year will be held in the Cypress auditorium on October 21. Admission price will be fifteen cents. The show will be for the students in the fourth through the eighth grades.

The name of the picture will be "Son of Fury," or "Stow-away." Children not going to the show will be excused at 1:00 to go home. The bus will be ready for the ones who ride it. We would like to see a good crowd there.

Girl Scouts Round Up

Dianna Leverich, 6-A

Recently the Girl Scouts of Cypress school had a round up from 7:30 p.m. to 9:30 p.m. They invited their mothers.

When they were all there they got into a circle and sang a song. Then they introduced their mothers and told what her favorite dish and hobby was.

After that they had refreshments, then danced and played a few games.

P-T.A. Meeting Held First Time

by Charleen Clifford and Betty Benson, 6-A

On Thursday, October 13, the first Parent-Teacher Association meeting of the school year was held in the school auditorium. Mrs. Lukens, the president, was in charge. The teachers reception was not held because of the dental meeting. This was also the last of the four dental meetings sponsored by the P-T.A. Refreshments were served by mothers of the seventh and eighth grades.

Den Mothers Named For Cub Scouts

by Ray Decker and Billy Kelliker, 6

The Cub Scouts of Cypress have again been organizing. There are three dens so far. The den mothers are Mrs. McKee of den two, Mrs. Decker of den three, Mrs. Bouse of den four.

The men on the Cub Scout committee are Mr. Koenig, Mr. Richards, Mr. Bouse, Mr. Giles, and Mr. Gerber. The Pack number is 176.

All den mothers have been going to Anaheim for a den mother's course.

We hope they have a good organization this year.

SECRET BALLOTS AT ELECTION FOR COUNCIL MEMBERS

by Ivey Giles, 6-A

A student body election was held during the week of October 10 thru 14 in the school rooms of the 4, 5, 6, 7, and 8 grades of the Cypress elementary school. It was a free election where everyone had a secret ballot and could vote the way he wanted to.

Nolan Blackman, the president of the student council, went with the candidates and introduced them. The candidates were: president, Narci Ferreira of the 8th grade and Vevah Gail Bodkins also of the 8th grade; vice president, Leonard Slabaugh and Marna Bock, both of the 7th grade; secretary and treasurer, Ivey Giles, 6th grade, and Nolan Blackman of the 8th grade; sergeant-at-arms, Paul Caperton, 8th and Henry Mason, 7th.

Safety captain, Dick Prowse, 6th, and Susan Zwart, 7th grade. We know the winners will do their best as officers for the first semester.

Miss Dickerson, our own Cypress elementary school principal, spent last week at Santa Cruz attending the Trustee-Superintendent conference. Many interesting meetings were conducted by leading educators of the west coast. We are glad she is back at school.

There was an announcement by Miss Dickerson to remind all students about leaving the school grounds without written permission by parents.

by Bob Miles, 6-A

Anaheim Forum Monday Night

Dr. Charles A. Bothamley has just returned from a 30,000 mile sailing trip and will come to Anaheim Monday evening for the third of the adult evening forums to be presented by the local school. He will begin his lecture and showing of color motion pictures at 7:30 p.m.

The two films are entitled "South Seas Adventure" and "Zamboanga to Zanzibar."

A running commentary accompanies the pictures and a question period will follow if the audience desires.

Dr. Bothamley is a person of wide and varied talents. He is a physician and surgeon as well as a teacher, author, lecturer and world traveling photographer. His lectures are packed with adventure and human interest.

Home - Coming Queen Race

For the first time in the history of Alumni Day, Anaheim union high school will have a homecoming queen to reign over some of the more important festivities, October 21.

To be chosen from among the students, Anaheim merchants plan to present the queen with a number of valuable and interesting gifts.

The lucky girl and her court will receive her gifts at a special assembly. Alumni talent, of which there is said to be an abundance, is being garnered for the presentation.

Cypress Students Receive Honors

Anaheim union high school's 50 honor society members were announced this week for the school year 1949-50.

Membership in the organization represents the highest academic achievement a student can gain throughout the school year.

Among those named were Carol Dewell, Mary Jo Duncan, Russell Mackay, Marilyn Miller, Bonnie Smith, Laverne Stanley, Elizabeth Van Hunnicke and Margaret Young.

CYPRESS LOCALS

Mrs. A. E. Holborow was hostess Saturday morning to several mothers of visiting majorettes at her home on Walker street. She served her guests a waffle breakfast.

Mr. and Mrs. Earl Essex are moving this week-end into one of the Scally houses on Watson street, south of Lincoln avenue.

Mr. and Mrs. Louis Easley and daughter will move into the small cottage being constructed at the corner of Walker street and DeLong.

Glenn Hubbard and "Frosty" Forst enjoyed deer hunting last week-end.

Harvey Pennington is around town again following a position for some weeks as carrier on a route in some towns around El Monte and Alhambra. He was laid off by North American following an industrial accident some time ago, but is almost fully recovered now.

Robert McKee was called to Exeter last week-end by the sudden death of his father.

EXTENDED PHONE SERVICE IN COUNTY FAVORED BY CHAMBER

Directors of the Associated Chamber of Commerce last week went on record as favoring extended toll-free telephone service in various Orange county cities and communities.

In connection with the decision to ask extended phone service the Associated board agreed to canvass all chambers of commerce and other organizations in an effort to solicit support of the contention that intercity telephone service should be on a toll-free basis.

In session last week at Santa Ana, the board also got reports that the state now is appraising the Bolsa - Chica beach, a 15,000-foot long strand between Sunset Beach and Huntington Beach and may purchase the property soon.

Objection was raised to the state's proposal to abandon freeway construction in Orange county in 1950 and substitute instead, a fourth lane for Manchester boulevard.

The board held that the state has sufficient money for the freeway work complete with cloverleaf overpasses at important intersections and should prosecute the work without further delay.

RAINBOW STRIPES

A vest of rainbow colors is designed by Stephanie Koret in cotton corduroy to match trim corduroy slacks for the college girl's play hours. Corduroy is the collegian's favorite fabric this season for both sportswear and dress wear, the National Cotton Council reports.

Mr. and Mrs. Dan Norland moved from their apartment over the Rainway garden and supply store on Lincoln avenue to Anaheim on Thursday.

Appearing before a six-man board, members of the Elk's lodge in Anaheim, three men from Cypress were given a preliminary hearing for membership Monday night. They are Earl Essex, Clyde Arnold, and James Broadbent.

Mr. and Mrs. Donald McKay and two daughters, three years old and seven months old, moved into the house at 5401 Lincoln avenue from Bell last Sunday. McKay is a contractor. The house was formerly occupied by the Stan Doerr's.

Mrs. C. W. Biggs, Gay street, who has been hospitalized in Los Angeles was able to return home on Wednesday.

William Willey, 5531 Vonnie Lane, will be home this week from Kernville, where he is engaged in construction work. Mrs. Willey expects to return with her husband for a three weeks' visit.

ANNOUNCE NATIONAL LETTER WRITING WEEK — OCT. 16 - 22

National Letter-Writing week, from October 16 to 22, has been announced by Postmaster Ruth Pugh.

Slogan during the week is "Don't delay — write today." One veteran postmaster observed that many of his customers were wont to remark, "I guess I can't expect a letter if I don't write any." "It would seem that friendship is a reciprocating engine," the postman stated.

ROXANNA CLEVER MARRIES WILLIAM HUGHES IN NEVADA

Roxanna Clever, daughter of Mr. and Mrs. W. T. Campbell of Dana Point, and William Hughes, son of Mrs. Bert Palmer of Huntington street, were married on Saturday evening, October 1, in the Wee Kirk of the Heather, Las Vegas, Nevada. They were accompanied by the bride's parents.

The bride wore an aqua dress with white accessories. Mr. and Mrs. Hughes will live in Long Beach where he is employed by the Standard Gypsum Co.

Miss Marguerite Castro has arrived from Bakersfield for an extended stay in the home of her brother, Andy. The latter plans to be under the care of a dentist for the next few weeks. Miss Castro is a trained nurse and was on special duty at Mercy hospital in Bakersfield.

See? Thompson Says:

"For Hallowe'en and Christmas items, come to us. We have a nice selection of toys. Make your purchase now — pay a small amount down. We will lay it away for you. Avoid last minute rush and disappointment."

NOTICE INVITING BIDS FOR \$145,000.00 BONDS OF CYPRESS SCHOOL DISTRICT OF ORANGE COUNTY, CALIF. ORNIA.

NOTICE IS HEREBY GIVEN that sealed proposals for the purchase of \$145,000.00 principal amount of bonds, of Cypress School District of Orange County, California, will be received by the Board of Supervisors at the office of the Clerk of said Board in his office in the Court House in Santa Ana, California, up to the hour of 11:00 o'clock A.M. on November 1st, 1949.

Said bonds will be dated November 1, 1949, and will bear interest at a rate not to exceed 5% per annum to be determined upon the sale of said bonds. Said interest shall be payable annually for the first year after the date of said bonds and semiannually thereafter. Said bonds and the interest thereon are payable in lawful money of the United States of America at the office of the Treasurer of said County.

Said bonds will be 145 in number, of the denomination of \$1,000.00 each, and will be numbered and payable as follows:

Bond No. 1, One Thousand Dollars, to run 1 year
Bonds Nos. 2 to 7, inclusive, One Thousand Dollars each, to run 2 years
Bonds Nos. 8 to 13, inclusive, One Thousand Dollars each, to run 3 years
Bonds Nos. 14 to 19, inclusive, One Thousand Dollars each, to run 4 years
Bonds Nos. 20 to 25, inclusive, One Thousand Dollars each, to run 5 years
Bonds Nos. 26 to 31, inclusive, One Thousand Dollars each, to run 6 years
Bonds Nos. 32 to 37, inclusive, One Thousand Dollars each, to run 7 years
Bonds Nos. 38 to 43, inclusive, One Thousand Dollars each, to run 8 years
Bonds Nos. 44 to 49, inclusive, One Thousand Dollars each, to run 9 years
Bonds Nos. 50 to 55, inclusive, One Thousand Dollars each, to run 10 years
Bonds Nos. 56 to 61, inclusive, One Thousand Dollars each, to run 11 years
Bonds Nos. 62 to 67, inclusive, One Thousand Dollars each, to run 12 years
Bonds Nos. 68 to 73, inclusive, One Thousand Dollars each, to run 13 years
Bonds Nos. 74 to 79, inclusive, One Thousand Dollars each, to run 14 years
Bonds Nos. 80 to 85, inclusive, One Thousand Dollars each, to run 15 years
Bonds Nos. 86 to 91, inclusive, One Thousand Dollars each, to run 16 years
Bonds Nos. 92 to 97, inclusive, One Thousand Dollars each, to run 17 years
Bonds Nos. 98 to 103, inclusive, One Thousand Dollars each, to run 18 years
Bonds Nos. 104 to 109, inclusive, One Thousand Dollars each, to run 19 years
Bonds Nos. 110 to 115, inclusive, One Thousand Dollars each, to run 20 years
Bonds Nos. 116 to 121, inclusive, One Thousand Dollars each, to run 21 years
Bonds Nos. 122 to 127, inclusive, One Thousand Dollars each, to run 22 years
Bonds Nos. 128 to 133, inclusive, One Thousand Dollars each, to run 23 years
Bonds Nos. 134 to 139, inclusive, One Thousand Dollars each, to run 24 years
Bonds Nos. 140 to 145, inclusive, One Thousand Dollars each, to run 25 years

Said bonds will be sold for cash only and for not less than par and accrued interest to the date of delivery. Each bid must state that the bidder offers par and accrued interest to the date of delivery, and state separately the premium, if any, offered for said bonds, and the rate of interest, not exceeding 5% per annum, said bonds shall bear, which rate shall be a multiple of one-quarter of one percent.

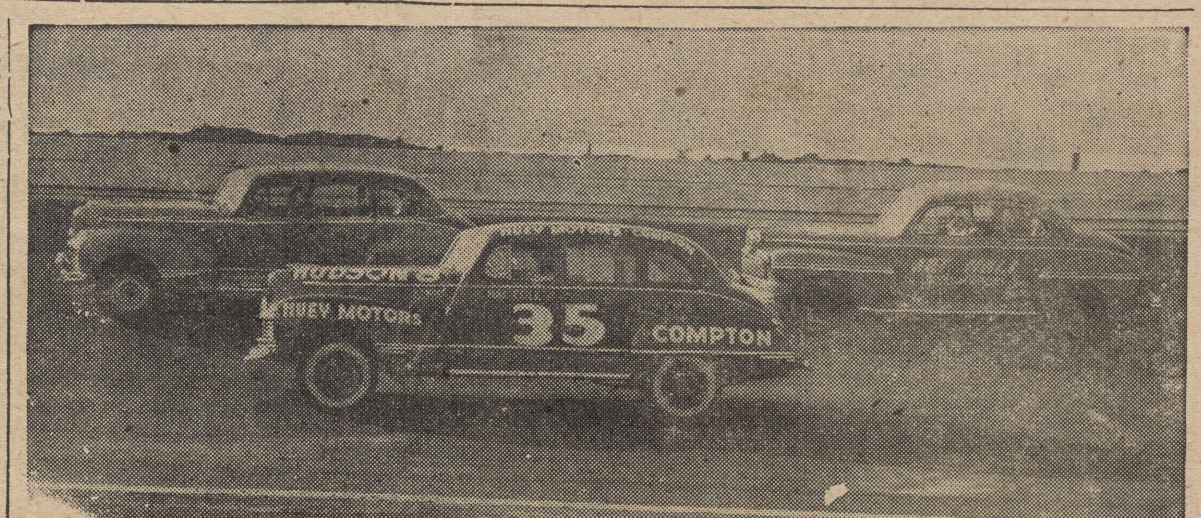

Each bid shall be for the entire amount of said bonds and at a single rate of interest.

The opinion of O'Melveny & Myers, Los Angeles, California, approving the validity of said bonds, will be furnished the successful bidder without cost to the bidder.

A certified or cashier's check for a sum not less than three percent (3%) of the par value of said bonds, payable to the order of the Treasurer of Orange County, must accompany each bid as a guaranty that the bidder, if successful, will accept and pay for said bonds in accordance with the terms of his bid. The proceeds of the check accompanying the accepted bid shall be applied on the purchase price, or, if such bid is accepted but not performed, shall be retained by the County Treasurer for the benefit of the district, unless such failure of performance is caused by any act or omission of said county, said district, or an officer of either of them. Checks accompanying unaccepted bids will be returned promptly.

Said bonds will be delivered at the office of the County Treasurer of said county.

The Board of Supervisors reserves the right to reject any and all bids or to waive any irregularity or informality in any bid. The assessed value of the tax-

Speedsters in Sunday's (Oct. 16) 100-mile National Championship Stock Car race at Del Mar's one-mile dirt track, where "the turf meets the surf."

able property within said district as shown on the equalized assessment roll for 1949-1950 is \$6,033,160.00, and the total amount of bonds of said district previously issued and now outstanding is \$156,000.00.

By order of the Board of Supervisors of Orange County, California, adopted September 27, 1949. (SEAL)

B. J. SMITH
County Clerk of Orange County, California, and Ex-officio Clerk of the Board of Supervisors thereof.

NOTICE OF THE TIME AND PLACE OF MEETING OF THE BOARD OF SUPERVISORS OF ORANGE COUNTY, CALIFORNIA, WHEN A PETITION FOR ANNEXATION OF CERTAIN CONTIGUOUS TERRITORY TO BUENA PARK LIGHTING DISTRICT OF ORANGE COUNTY AND OBJECTIONS OR PROTESTS THERE TO WILL BE PRESENTED FOR HEARING

NOTICE IS HEREBY GIVEN that a petition has been filed on the 27th day of September, 1949, with the Board of Supervisors of the County of Orange, State of California, praying that said Board make an order annexing the territory described in said petition to the Buena Park Lighting District of Orange County, California. The boundaries of said territory are as follows, to-wit:

Beginning at an angle point in the Western boundary line of Buena Park Lighting District, as now established, said angle point being the Southeast corner of the North one-half (N 1/4) of Lot 8, Whitaker's Addition, as shown on a Map thereof recorded in Book 25, Page 10, Miscellaneous Records of Los Angeles County, California, and running thence from said point of beginning, Southerly, along the Western boundary line of said Buena Park Lighting District, to the Easterly prolongation of the Southerly line of Tract No. 1203, as shown on a Map thereof recorded in Book 39, Page 27, Miscellaneous Maps, Records of Orange County, California; thence, S. 89° 37' 30" W., along said prolongation, the Southerly line of said Tract No. 1203 and the Westerly prolongation thereof, to a line parallel with and distant West, 330.00 feet from the center line of that certain public highway commonly known as Hansen Street; thence, North, parallel with said center line of Hansen Street, to an angle point in the Westerly boundary line of said Buena Park Lighting District; thence, Easterly, along the boundary line of said Buena Park Lighting District, to the point of beginning, and that said Board of Supervisors has fixed Wednesday, the 9th day of November, 1949, at the hour of ten o'clock A.M. of said day, or as soon thereafter as said matter can be heard in the Chambers of said Board of Supervisors at the Court House in Santa Ana, California, as the time and place for the hearing of said petition, together with all protests and objections thereto which may be filed, or to the inclusion of any property in said District, and at which time and place all persons interested therein may appear and be heard.

Dated, this 4th day of October, 1949.
BY ORDER OF THE BOARD OF SUPERVISORS OF THE COUNTY OF ORANGE, STATE OF CALIFORNIA. (SEAL)

B. J. SMITH
County Clerk and ex-officio Clerk of the Board of Supervisors of Orange County, California.

NORTON ON USS CORAL SEA

Robert N. Norton, boilerman first class, USN, is serving as crew member aboard the aircraft carrier, USS Coral Sea. Undergoing repairs in the Norfolk naval shipyard, the Coral Sea recently returned from a tour of duty in the Mediterranean. Norton's parents, Mr. and Mrs. J. E. Smith, 5701 Vonnie Lane, are on an extended vacation trip. The were recent visitors at the Grand Canyon and Carlsbad Caverns, stopping at interesting points in-between.

Fred Hutchings returned home last week from a two week's combined business and pleasure trip to Lethbridge and Calgary, Canada. The trip was made by air.
